Performance Notes

The wise ones from the east who visited the manger brought tangible and symbolic gifts to the child. Although some would argue that we still bring “gold” in the form of money we donate to our churches, the gifts that we bring to the table of the Lord are spiritual gifts: gifts of ourselves, gifts of our love. *No Longer Gold and Frankincense* was written for the Preparation of Gifts on the Feast of the Epiphany and brings this feast into a more contemporary light. Let the choir lead the assembly in song.
