Composer Notes

Holy Spirit, Breath of God

Here is a song for the beginning or the closing of the school year. Schools often end their academic year around Pentecost. This song can help children articulate the “indwelling” of the Holy Spirit. Use it at the rite of confirmation when it involves elementary children, at reconciliation and at morning prayer in the school, especially during times of academic testing! Our catechism reminds us that it was under the breath of the Holy Spirit that the speech of God became Sacred Scripture (CCC 81).
